sonderful remedy:
Robert Glenn, steward of the almshouse near
ankford, testifies to the efficacy of Dr. Swayne's
mpound sirup of wild cherry, in curing Valene Chapman, one of the most aggravated cases of
cased lungs which has ever been placed upon
sord, after every other remedy had failed, and his
ysician had given him up as incurable.
Mrs. Brown, corner of Second street and GarmanMrs. Brown, corner of Second street and Garman-

record, after every other remedy had failed, and his physician had given him up as incurable.

Mrs. Brown, corner of Second street and Germantown road, Philadelphia, effectually cured of diseased lungs and the symptoms of incipient consumption, by using four bottles of Dr. Swayne's compound sirup of wild cherry.

R. Jackson, D. D., formerly pastor of the first Presbyterian church, New York, testifies to the efficacy of Dr. Swayne's compound sirup of wild cherry, and recommends it to the heads of families, having witnessed its wonderful effect in more than one hundred cases, in relieving children of every obstinate complaint, such as coughing, wheezing, choking of phlegm, asthmatic attacks, &c.

Abraham Skinner, Crawford county, Pennsylvania, cured of a protracted cough, pain in the side and breast, &c., after being reduced to a mere skeleton.

James Osburn, Washington, Pennsylvania, cured of consumption and bleeding of the lungs, after being given up by several eminent physicians, and having used most of the patent medicines.

This medicine, in all cases, gives immediate relief, and is a safe, pleasant, and effectual remedy, and worth a trial from the most skeptical.

TPrepared only by Dr. Swayne, north corner of Eighth and Race streets, Philadelphia, where all orders must be addressed.

J. P. COOK, No. 76, Baltimore PEYTON JOHNSON, Richm

PATENT GALVANIC RING, AND MAG-NETIC FLUID.—These wonderful Rings, and the Galvanic Fluid, have created a great sensa-tion throughout Europe, and are attracting crowds to see them, both in New York and Boston. They to see them, both in New York and Boston. They cure with astonishing rapidity rheumatism, gout, tic-doloreux, fits, cramp, sick headache, indigestion, paralysis, stiff joints, general debility, deficiency of nervous energy, and all nervous disorders. They produce all the beneficial results of the ordinary galvanic battery, or electric and magnetic machines, without the injurious shocks which always accompany their application. The secret of preparing the Ring was discovered by Professor Harmance Christie, of London, in October last, and they have been recently introduced into this country by Dr. A. Christie, who warns the American public, from the beginning, to beware of spurious imitations. To guard against fraud, he will appoint but one agency in each of the cities of the United States.

For sale by the only agent in this city,

For sale by the only agent in this city, O. FISH & CO., Nos. 1 and 2, Brown's hotel.

NoTICE.—Will be sold, at the jail of Washington county, D.C., on Friday, the 7th of November, 1845, at 10 o'clock a. m., a negro man, committed as a runaway, who calls himself John Smith. He is a dark mulatto, about 6 feet high, and about 28 or 29 years of age. Had on when committed a striped summer ceat and pantaloons, a black fur hat, and has other clothing with him, principally home-made. He says he is a slave, and belongs to a Mr. John Smith, who lives in Henrico county, between Petersburg and Richmond. He has a sear under the left eye, and one on the upper lip, and says that his master's nearest neighbor is Mr. John Richardson.

The owner or owners of the above-described negro-man are hereby requested to come forward, prove him, and take him away, or he will be sold for his prison and other expenses, as the law directs.

Proposals for commencing said routes at any oth-

No. 6, a trip once in two morths; and on No. 7, twice or three times a month,

The proposals should specify the mode of conveyance, whether by steam-ship or sailing-packet; and set forth the size, rate, and description of the vessel, with sufficient particularity to enable the decision to be made on the advice of the proper officers of the naval service, whether the same is or is not convertible into a ship-of-war. And special notice is bereby given, that, agreeably to the provisions of the act of Congress aforesaid, those proposals (being acceptable in other respects) will be preferred, which shall engage to carry the mail in a stem ship or ships, and shall stipulate to deliver said ship or ships to the United States, or to their proper officer, on demand made, for the purpose of being converted into a vessel or vessels of war; the United States being bound, on their part, to pay the fair full value thereof at the time of delivery, to be ascertained by four appraisers, appointed two by the President of the United States of the United States of the United States of the United States of the purpose of being converted into a vessel or vessels of war; the United States being bound, on their part, to pay the fair full value thereof at the time of delivery, to be ascertained by four appraisers, appointed two by the President of the United States of the Unit

American citizens."

The postage fixed by law upon mailable matter to be transported by these lines, is as follows: "Upon all letters and packages not exceeding one half ounce in weight, between any of the ports of the United States and the ports of England, or France, or any other foreign port not less than three thousand miles distant, then type our cents, with the inland postage of the United States added when sent through the United States mail to or from the post office at a port of the United States and to or from the post office at a port of the United States. Upon letters and packets over half an ounce in weight, and not exceeding one ounce, or fraction of an ounce, fifteen cents. Upon it all letters and packets not exceeding one half ounce, or fraction of an ounce, fifteen cents. Upon it letters and packets not exceeding one half ounce, or the United States and any of the West India islands, or islands in the Gulf of Mexico, the cents; and twenty cents upon letters and packets in the cents; and itsenty cents upon letters and packets in the mail to every additional half ounce or fraction of an ounce, you have a cents for every additional half ounce or fraction of an ounce, you have a cents, with inland United States postage added when the same is transported to or from said port of the United States, in the United States mail." The bidder may propose for an annual sum of compensation, to be named in the bid, or in lieu thereof, for the whole or a certain proportion (to be named in the bid) of the postages accruing on the mail-matter conveyed over the route. the whole or a certain proportion (to be name the bid) of the postages accruing on the mail-ma conveyed over the route.

conveyed over the route.

Ha may embrace in his offer a stipulation to carry an agent of the Post Office Department with the mails, or he may omit it, at his discretion. Such stipulation may induce a preference to be given in favor of a bid equal in other respects, over a bid not contribute it.

an agent of the Post Office Department with the mails, or he may omit it, at his discretion. Such stipulation may induce a preference to be given in have of a bid equal in other respects, over a bid or tootnaining it.

Indentures of contract are to be executed by the cocpted bidder and by his sureties, by or before the first day of May next. The Fost of forfice of the first day of May next. The Fost of the first day of May next to the forfice of when the trip is not performed, and a due proportion when a grade of service is rendered inferior to that specified in the contract, and that fines may be imposed, unless the elimiquancy be assistancerally controlled to the production, loss, or injury; for relating to take from, or the demand made, to convey a mail by any additional steam ship or vessel run by the contractor on the route, over and above the specified number of trips in the contract, and for for not arriving at the time of the mail. The Postmaster General may amul the contract for repeated failures; for violating the post of fice laws; for disoboying the instructions of the department of the should be failured, and alter the schedule, he altowing a per set increase and according to the contract, and after the schedule, he altowing a per set increase and the state of the department of the schedule, and contract, and the schedule, he altowing a per set increase in the contract, and the schedule, he altowing a per set increase in the proposals.

EVENING TUITION EVENING TUITION.

MONS. S. CHARTON respectfully informs his friends and pupils, that it is his intention of opening a course of French conversation and French composition, under such arrangement as may suit the attendance of those gentlemen who may be pleased to honor him with their patronage. He would also be pleased to see those gentlemen who applied to him during the summer, and such others as may be desirous of commencing the study with him, as he intends opening a class for beginners so soon as six scholars shall have been engaged.

The Chartonian System, otherwise the system of nature, under which his pupils have so much profited, proving to conviction its superiority over all

nature, under which his pupils have so much profited, proving to conviction its superiority over all
other methods of teaching the French language,
wants but to be known to be appreciated.
